welcome to
the baker's tour,

a Community Supported Bakery based in the Hyde Park neighborhood of Chicago. Our baking is currently being done at Kitchen Chicago, a shared-use commercial kitchen located in Ravenswood Manor.

The Baker's Tour offers freshly baked bread as a subscription service. Products are available for delivery or pick-up on Mondays and Fridays.

All of our breads are hand-made and contain only USDA certified organic grains and flours. Other organic ingredients are used whenever possible. Most of our breads are naturally leavened with a sourdough culture, and several of them are whole-grain.

Subscribing to The Baker's Tour is easy. Each month customers complete an order form indicating what breads they would like on each delivery/pick-up date. Four regular breads are offered along with one special, surprise item, known as "Baker's Choice." One type of granola is also available. All products are \$3.50 (tax included). Customers should pay by check to The Baker's Tour, Inc.
